THE ART TRAIL

1 'the seasons', Perry Roberts, 2018 on 2

Belgium-based British artist Perry Roberts works in a variety of media including painting, furniture and wall drawings. 'the seasons' is a text-based installation, reflecting on our experience of the seasons: fragmented and mixed up, it not only suggests the effects of climate change but raises questions concerning the nature of fashion.

2 'Carmen Miranda', Joana Vasconcelos, 2008 on 4

After shopping around our Shoe Galleries, why not visit Joana Vasconcelos's piece, depicting a shoe made out of stainless steel pans?

3 'A Real Birmingham Family', Gillian Wearing, 2014 on 4

This piece by Turner Prize winning artist Gillian Wearing depicts a real-life Birmingham family cast in bronze.

4 'Still Life Jug', Richard Wilson, 2015 on 4

A jug depicted in motion, handmade by world-renowned artist Richard Wilson.
