

VIRGIN COUTURE

“Seedlip is the world’s first distilled non-alcoholic spirit, solving the ever growing dilemma of “what to drink when you’re not drinking®”

It is based on the distilled non-alcoholic remedies from The Art of Distillation written in 1651, and now repurposed to pioneer a new category of drinks.

Seedlip is sugar-free, sweetener-free and contains zero calories.

“Nature Kind cocktails are drinks that seek to be more in harmony with nature by minimising our use of precious natural resources and reducing pollution. Just as delicious but mindful of our environment; we reuse, recycle, or upcycle ingredients that otherwise would be discarded as waste. This includes leftover citrus juices, citrus rinds, and the seeds and skins of fruits. Exclusive to Fumo Selfridges.”
