

Welcome back to Selfridges

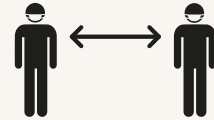

For your safety and wellbeing, the way you shop
may look a little different right now.

Enter via the allocated doors wearing a face covering, which is required throughout the store.
If the store is at capacity, please wait for a host to welcome you through the doors. Fast-track entrances are available for NHS or social care workers and those with appointments.

Help yourself to hand sanitiser, available across all of our stores.

Follow social distancing guidance while you are in store and look out for signage that helps you to keep your distance

Please use our escalators or stairs to travel between floors - our lifts are for use by wheelchair users, pushchairs and customers with mobility issues.

When using our escalators, please follow social distancing guidance.

Please avoid touching products while you are browsing. At this time, beauty testers are unavailable, however our team members will be more than happy to demonstrate for you if asked.

Hungry? Many of our restaurants have reopened and we also offer takeaway options from our Foodhall. Face coverings do not need to be worn in our restaurants or bars.

If you wish to use the toilets, please wait at the entrance until a host signals that you are able to enter.

To help maintain social distancing, some of our services, such as beauty appointments, are currently unavailable.
However, we will soon be offering styling and gift appointments in store and virtual appointments to enjoy from the comfort of home.

Please leave the store through the clearly marked exit-only doors.

Contactless or card payment is preferred at this time

Clothing tried on in our fitting rooms will be quarantined for 48 hours. Items such as shoes and accessories will be cleaned with sanitising spray or steamed before being returned to the shop floor. We'll also be on hand to offer our help and expertise from a safe distance.

Remember: you can still shop online at [selfridges.com](https://www.selfridges.com)
and on our app, with delivery to over 130 countries.
